How it works

Designed to provide students with an opportunity to purchase high quality gifts for family and friends at school in a safe, comfortable and friendly environment, we are dedicated to making your Holiday Gift Shop easy, fun, and a success. We are here every step of the way to make sure your students have a festive, educational shopping experience and can bring home memorable gifts for all their loved ones.

Step 1

Choose Your Selling Dates & Profit

- ❄️ Choose the dates that work best for your school. We recommend holding your shop for at least one week.
- ❄️ Choose your profit percentage. Your school makes a profit on EVERY gift sold!

- ❄️ If you need help, selecting a mark-up that's right for your school, contact us! We have tons of experience and are happy to answer any questions.

Step 2

Promotional Items Arrive

- ❄️ Everything you need to start advertising your shop arrives. Parent letters, money envelopes, posters, etc.
- ❄️ This is a great time to start decorating the room that will host the Holiday Gift Shop. Send us a picture of your decorated shop for a chance to win our Holiday Gift Shop Decorating Contest!

Step 3

Shop Inventory Arrives

- ❄️ Your gifts, along with registers, gift bags, and start guide, are hand delivered and brought to the room of your choosing by Fun Services.
- ❄️ Your cash register will already be preloaded with the profit percentage you chose and ready to start! The app will be ready to go with your profit percentage too, so you can scan on the fly!

- ❄️ Run out of items? Submit your reorder form and we will have them at your door next day.

Step 4

Close Up Shop

- ❄️ Follow the end of shop directions to find out your totals and profit.
- ❄️ Pack up the remaining gifts, and Fun Services will come by to pick everything up. No need to lug everything to the front or prepare boxes for shipping.

- ❄️ You pay only for what you sell. No hidden fees or extra costs. Zero risk to your school.

It's that easy.
